**Fantastique · The Enchanted World of Ceramic Art**

*Fantastique* celebrates the enchanted world of ceramic art at the Wiener Museum of Decorative Arts. From myths and monsters to fairies and fables, you will be spellbound by the flights of fancy of European ceramic artists during the last two centuries.

Fire-breathing dragons of the Dark Ages do battle with heroic knights or guard the treasures of the Eastern seas. Mermaids and other wonders of the deep beguile mariners while pixies, goblins and other denizens of Fairyland enchant children and adults alike.

The mysteries of life and the age-old conflicts between good and evil, darkness and light, life and death are interpreted by sages, seers and truth-seekers in the universal myths of the world. On the dark side, there are macabre witches, wizards, ghosts and ghouls, while good angels and cherubs bring blessings from heaven and cupid's arrow initiates love and new life.

Escape into the realms of fantasy and experience an enchanted world of ceramic art at WMODA.
