HOLLYWOOD, FL (June 1, 2026) – What could be more perfect on a summer day than enjoying artistic visions of the ocean in the cool air-conditioned environment of the world-class Wiener Museum of Decorative Arts (WMODA) as guests dive into *Splash!*, a family-friendly exhibit that celebrates the wonders of the seas. WMODA presents the magnificence of glass and ceramic art that spans centuries, continents and cultures.

The newest exhibit at WMODA, *Splash!*, is an interactive experience of internationally acclaimed artists alongside innovative local creators, inspired by coastal beauty and marine life. Highlights of *Splash!* include:
