BUTTERFLY MAGIC – AN INTERACTIVE EXPERIENCE

WITH A BUTTERFLY RELEASE FINALE

FOR ADULTS AND CHILDREN 8 YEARS OLD AND UP

August 1 at Wiener Museum of Decorative Arts

Hollywood, FL (July 15, 2026) – Visitors can witness the magic of butterflies at the Wiener Museum of Decorative Arts (WMODA) on Saturday, August 1 from 11 a.m. to 12:30 p.m. Whether a family looking for unique experiences for kids or a curious adult who enjoys art and nature, this engaging presentation will ignite wonder and appreciation for these vibrant insects.

Breeder and Artist Kiki Sylvain of SK Butterflies will present live caterpillars, chrysalises, and butterflies, allowing guests to observe their fascinating anatomy and adaptations up close. Participants will also learn the important role these pollinators play in our ecosystem, how butterflies grow, and how to create a butterfly-friendly garden of their very own.

After an engaging question and answer session, there will be special photo opportunities and a breathtaking live butterfly release. Museum admission is included, so after the release, guests are welcome to continue celebrating nature and art by exploring the galleries to see the beautiful pottery and porcelain butterflies on display or trying one of the engaging scavenger hunts!
